

## **PBC Fall 2019**

You are a mighty woman of God, and I have grown to admire you and honor the position and authority you hold in the Kingdom. I find it an honor to have been under your mantle and have learned much and received much during these past several weeks. I am blessed to tell others that I have gone through my first Power Boot Camp and look forward to more in the future. God has begun a new thing in my life and a healing of my heart and soul. He has begun a change on a deeper level all because of Power Boot Camp. I have learned to hear Him and seek Him on a deeper level as well. I have received a seer anointing through this class that I did not have before. Thank you for your transparency and your integrity. Both are rare these days. I have come to know a bit about you and see that you love the Lord with all your heart and want others to learn & grow to know Him as you do. I pray He gives you the desires of your heart and continues to bless you and your ministry in training others for the next season of their lives with great power and anointing for His honor and glory in Jesus name. **THANK YOU FOR YOUR TIME AND DEDICATION IN TEACHING US THE HEART OF THE FATHER. This class has been such a blessing! Having an opportunity to practice hearing from God has been priceless in my growth. The training ground Trese has created has really built my confidence to deliver a word from the Lord. I have uncomplicated my understanding of how God speaks and learned from Trese's shared testimonies and through my own experiences He can use anything and everything. Yes! As a child of God, He does want to speak to me and I am been and have been hearing from Him! I will stand in confidence on God's word, His promises, and His plans for my life. Trese, thank you for the opportunity to participate in your class. You are such a blessing to so many. I am so grateful for you. I am not perfect and I don't have things figured out. I have so much more to learn and so much more growing to do but I thank you for loving me and accepting me anyway. You are such a powerhouse and mighty woman of God but through this class I saw how loving and accepting you are of people. A true example of Jesus. No wonder God trusts you with so much! I believe in you and your anointing so much that over the past several weeks being around you and God's presence has started to make me believe in myself. I am so thankful that I have you to look up to! **Andrea Baum**

I am elated to have signed up to participate in Power Boot Camp: Training in the Prophetic. Starting out was nerve racking because I didn't quite know what to expect. I thought that I knew a lot about the Holy Spirit already, and just needed a bit of guidance and direction regarding the gifts I thought I possessed. Yet, over the past few weeks, I have encountered God showing me how much more growth and development was instore for me. Through this truly humbling experience, I have greatly acquired an increase in not only knowledge but hands on experience about the prophetic and the gifts of the Holy Spirit. As an instructor, Trese Strauss has graciously took the time to wisely direct the class under the guidance of the Holy Spirit, and, as a result, has challenged me outside of my comfort zone, encouraged me for greater with each new lesson, and provided a safe space to make mistakes without feeling condemned. I can truly say that I have grown so much, not only spiritually, but also emotionally in my walk with the Lord. I would highly recommend this training to anyone interested in diving deeper into their relationship with God as well as fine tuning their spiritual ear to the Holy Spirit. I've learned that God desires to talk with us daily, it just takes a step of faith to listen. **Gabriel A. Carrero**

This is my second time taking Power Boot Camp and what the Holy Spirit has done and continues to do is to open me up to deeper depths of seeing, hearing, and being delivered and healed. The deep healing of myself on 5/30, a deep healing of my self-image in worship. Trese I thank you for the price you paid. And Holy Ghost I thank you for having her in my life and for everyone I met at both of the sessions, Spring 2019 and Fall 2019.

Power Boot Camp has incited me to do what the Holy Spirit has been urging to get me to do for years, which is, the importance of getting into my secret place with Him on a consistent basis as I use to and He has showed me how urgent it is to do so. Power Boot Camp has taught me many things about the "prophetic ministry". It confirmed a lot of things I already knew and taught me new things I didn't know. It was challenging and encouraging at times, and it was fun, interesting, and a good way to meet new people. **John David Transue**
